

# BETWEEN THE LINES

SINT-JANSCOLLEGE TTO NEWSLETTER

## BUSY MONTHS!

We've had a few busy months and lots of activities. Even before the Project week our students were involved in many different things.

## TTO 1 DAY TRIP TO DOVER AND CANTERBURY

Of course the trip that TTO 1 was looking forward to the most was the one to Dover and Canterbury! It was an early start for all but well worth the effort!

## TTO 3 EXCHANGE

Our TTO 3 were finally able to welcome back their buddies. This time into their own homes! A special thank you to all the parents who made this possible. They had a fun-filled week that included trips to the impressive American Cemetery in Margraten and the iconic streets of Amsterdam. See page 2 for a glimpse into their exciting week.

TTO 3 EXCHANGE IN THE NETHERLANDS

TTO 1  
MÖNCHENGLADBACH

TTO 2 BLEGNY MINES

TTO 5 MODEL UNITED NATIONS IN NIJMEGEN

# TTO 3 EXCHANGE IN THE NETHERLANDS

## AMERICAN CEMETARY / MAASTRICHT

The students visited the impressive American cemetery in Margraten and then went on a scavenger hunt in Maastricht.

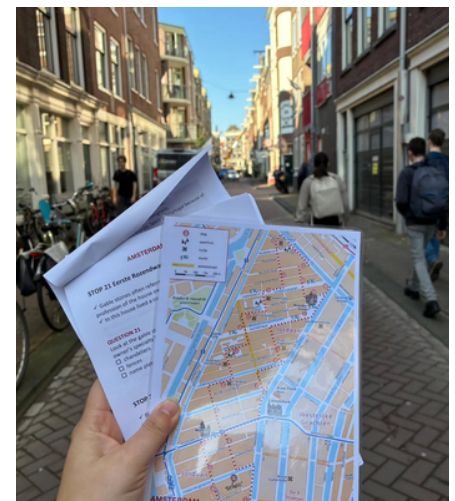

## ACTIVITIES IN AND AROUND HOENSBROEK

The students worked on an SDG assignment in groups and on the last day they prepared different dishes to share with everyone.

## AMSTERDAM

They visited the iconic Rijksmuseum and had a tour. They also did a walking tour and of course they had some free time.

# TTO 1 PHILEAS FOGG & DOVER/CANTERBURY

## PHILEAS FOGG

The students not only watched a theatre performance but they were part of it as well!

## DOVER

Arriving to the White Cliffs of Dover is always a sight to behold. The Castle is of course a must when visiting.

## CANTERBURY

The walking tour through Canterbury shows you so much in a short amount of time. And then the students had some free time as well.

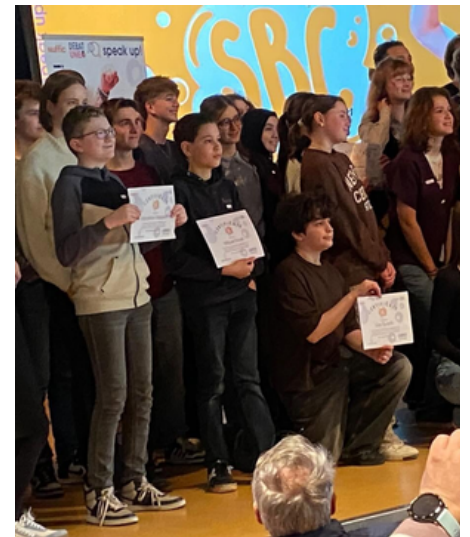

# TTO 4 IN BRUSSELS

On the 2nd and 3rd of February our TTO4 went to Brussels along with our exchange partners from Burggymnasium Essen. They explored the Atomium, the Planetarium and of course the European Parliament. They even had a Q&A with a member of the European Parliament, Bart Groothuis. They concluded their visit with a visit to the House of European History and the Waterloo Battlefield. Needless to say it was a success!

## SOAPBOX CHALLENGE TTO 2 + 3

Finally, our students in year 2 and 3 participated in a speech challenge. They had to write a speech directed to the Prime Minister outlining what they'd like to see changed. After the grueling class rounds three students were chosen to represent us at a national level. They did their best and we couldn't be prouder of them!

## CLOSING OF THE YEAR

Another year has flown by perhaps faster than you thought. At the end of this final issue we'd like to thank everyone who made this year possible. First, of course our students. They participated remarkably well in all activities and always tried to give it their all. Second, our teachers who take the time to organise these wonderful activities and are always willing to help in every situation. And finally, the parents. It is a joint effort to make sure that everything runs smoothly.

## APPRENTICE

If you haven't taken a look at your child's portfolio in Apprentice yet, now is the time! They've recorded all their projects and activities within it. Also, they've made a video for the end of the year. Perhaps you helped them make it. But if you didn't, ask them about it and have a look at their progress through the year!
